-------------------------	---

Executive summary

- Chandler is a local SME and has been in operation for more than 29 years employing approximately 100 staff across branches in Melbourne, Sydney, Brisbane and New Zealand.
- Chandler is owned by local shareholders with all profits retained within the Australian economy.
- Support services required by Chandler are sourced from local Australian based suppliers.
- Chandler has capacity to utilise the services of a local Tasmanian supplier to assist in fulfilling the print production services.
- Chandler has a strong digital transformation strategy which will be utilised to reduce the cost of print and postage services currently incurred by Aurora Energy.
