Executive summary

- Healthe Care (NWPH) employs approximately 165 full time, part time and casual staff working approximately 84 full time equivalent (FTE) hours. Using the minimum patient average length of stay of 1 day per admission for every 100 surgical cases awarded under this RFT NWPH would employ new and existing staff for an additional 1,120 hours.
- NWPH uses a vast range of products and services in providing services to the community. These suppliers and service providers include local, state wide and national businesses. NWPH is constantly reviewing its supply agreements and is open to engaging with new suppliers and service providers if the supply and service is sustainable and economically viable.
- NWPH will engage local surgeons and anaesthetists to complete any surgical cases awarded through the RFT. All surgeons and anaesthetist proposed to be engaged currently operate in private practices in the 7310 and 7320 (postcode areas) and are themselves local employers.
