-------------------------	-----------------

Executive summary

- Symbion Pty Ltd (EBOS Group) operates 3 warehouses in Tasmania, 2 in the south and a third in Launceston.
- The business directly employs 57 staff across the state in areas of warehousing, distribution, administration and sales.
- The business outsources its logistics and cleaning services, indirectly employing a further 9 Tasmanians (approximately).
- Property maintenance, repair services and some consumables are also sourced from Tasmanian companies.
- Symbion has recently expanded the clean room capacity of its Hobart operation to provide an increased storage capacity, these works were undertaken by local contractors as are any other service works on the 3 properties.
- New backup generators are currently being installed at two of the sites, all equipment and works will be supplied by Tasmanian suppliers.
- Symbion has purchased a new delivery van from a Hobart dealer.
- Logistics contractors own and operate their own vehicles.
- Symbion donate product supplies to a local women's charity.
