Executive summary

- *Contact Group is a wholly owned and operated proud Tasmania business, operating as a true state-wide business for more than 30 years. We continue to reinvest heavily in the local economy but employing over 160 staff and >15 apprentices.*
- *Contact Group is renowned for one of the best companies to work for, hence our wide range of long running relationships with our sub-contractors and our suppliers, which >95% are Tasmania based.*
- *Most supplies we already have service contracts with and open accounts.*
- *Contact Group's profits are reinvested back into the state's economy by subsidiary building development companies that holds a large portfolio of commercial properties. One of our most recent developments will be the development of a \$40 million-dollar Medical Hub in the suburb of New Town, this will help ease the pressures of the State Government's public health demands and create over 150 new jobs for the local community.*
- *Contact Group has a focus on a balanced and healthy lifestyle and encourage our employees and subcontractors to live a healthy lifestyle and regular exercise, hence we invest greatly into local community sporting associations.*
