### **Executive summary**

RTC Group is proud to be 100% Australian owned, by shareholders who work within the group of companies. RTC are a highly experienced, capable programmed and responsive maintenance service provider to New South Wales and South Australian state government bodies and community housing providers. With a successful history of over 20 years, RTC Group now directly employ 75 people and engage more than 150 sub-contract entities and their employees.

RTC Facilities Maintenance (TAS) Pty Ltd are extremely excited by the opportunity to establish in the North and North West regions of Tasmania. This will result in the direct employment of 10 local Tasmanian staff and the engagement of approximately 40 local sub-contract entities and their employees to service approximately 4,000 Housing Tasmania properties.

RTC Group has and will continue to actively reinvest and contribute both socially and economically to the communities in which they operate. This contribution will be made through employment opportunities, financial support, donation of time and prizes to local charities and sponsorship of local sporting organisations.

Since the recent announcement of RTC Facilities Maintenance (TAS) Pty Ltd as the successful Maintenance Head Contractor for the North and North West regions of Tasmania, commitments in excess of \$1 million have been made in the form of vehicle purchases from local suppliers, leases of local commercial and residential property and contracts to employ local people. Offices are currently being established in Invermay and Cooe.
