-------------------------	---------------

Executive summary

- iiNet employs two full-time staff members in Tasmania.
- iiNet was acquired by TPG in 2015. Under this new ownership, iiNet will continue to require the skills and expertise of local Tasmanian firms and contractors to meet its obligations to the Tasmanian Government and other Tasmanian customers as it maintains and builds its services in the State.
- iiNet values its relationship with the local Tasmanian ICT sector through its membership of the industry group, TasICT, and working relationship a number of local businesses.
