Executive summary

AJR is the preferred contractor to construct the hut at Lunchtime Creek.

In summary, the contractor's plan indicates they are a Tasmanian businesses employing Tasmanians and they plan to engage Tasmanian sub-contractors to supply labour and materials.

AJR

AJR Construct is a local SME based in Devonport, Tasmania. Our company was founded by Tasmanian born and bred Adam Ritson in 2004 and has steadily grown. Over the course of 10 years, AJR Construct has provided long term employment to 27 tradesman (Tasmanian residents). We currently employ 16 full time local carpenters of which 4 are apprentices. Three of our qualified carpenters completed their apprenticeship with AJR Construct.

In addition, 12 north west Tasmanian sub-contractors and suppliers are to be engaged for this job.
