Over that time our staff, many of whom have been with us for over thirty years, have developed an exceptional knowledge of all forms of construction and are regarded as some of the best building professionals in the industry by both Government and Private Clients.

Vos has offices in Launceston (Head Office), Devonport and Hobart, and carry out projects across Tasmania. Vos currently employ a total of 210 permanent staff, 37 of which are in Launceston, 52 in Devonport and 121 in Hobart.

Vos bring a loyal and dedicated crew to all of our projects. We have detailed a list of Tasmanian based preferred consultants, suppliers and subcontractors. It is envisaged our local trades and consultants have the expertise to undertake this project, most of whom are small to medium business enterprises.

In addition, 4 Tasmanian sub-contractors and suppliers are to be engaged for this job.
