

Tasmanian Industry Participation Plan

DOH-5982 – Supply of Prostheses

The Tasmanian Government is committed to maximising opportunities for local suppliers to compete for and win Government procurements. Suppliers/proponents are requested to prepare a Tasmanian Industry Participation Plan (TIPP):

- for all procurements with a value exceeding \$5 million;
- for nominated procurements (at the discretion of the procuring Government entity) greater than \$2 million and up to (and including) \$5 million; and
- for private sector projects valued at over \$5 million that receive support, including in-kind support, valued at or greater than \$500 000 from the Government.

Are you a Tasmanian SME*? Do you employ Tasmanians?

We are not a Tasmanian SME. We are a small SME based on the Gold Coast and the products ordered in the past would not allow us to have a local TAS office, we do however ship our goods that are delivered by local drivers.

Where are the goods or services to be used in the contract sourced from?

China. No products are locally manufactured, however we offer the most cost effective products compared to other competitors.

Opportunity for Tasmanian SME* involvement

We use existing supply chains to deliver our goods.

Broader social and economic opportunities

Local innovative solutions
