

# Tasmanian Industry Participation Plan

## DOH-5996 - Supply of Cardiac Implantable Electronic Devices and Associated Accessories

The Tasmanian Government is committed to maximising opportunities for local suppliers to compete for and win Government procurements. Suppliers/proponents are requested to prepare a Tasmanian Industry Participation Plan (TIPP):

- for all procurements with a value exceeding \$5 million;
- for nominated procurements (at the discretion of the procuring Government entity) greater than \$2 million and up to (and including) \$5 million; and
- for private sector projects valued at over \$5 million that receive support, including in-kind support, valued at or greater than \$500 000 from the Government.

### **Are you a Tasmanian SME\*? Do you employ Tasmanians?**

No, Abbott Medical is not a Tasmania SME. We employ local representatives who are Tasmanian residents. 1 person will be employed directly to support this contract with 3 interstate personal to support the wider activities of the contract.

### **Where are the goods or services to be used in the contract sourced from?**

The goods are manufactured globally from the US and Europe and are supplied local through Australian and Tasmanian delivery partners with storage facilities in Tasmania.

### **Opportunity for Tasmanian SME\* involvement**

Local supply chain opportunities will be available for the transport and delivery of products from time to time.

### **Broader social and economic opportunities**

The employment of 1 individual in Tasmania is supported by the establishment and success of this contract.

### **Local innovative solutions**

We will seek any opportunities to support the local economy and community through the course of the delivery of the contract.

**Completed and endorsed**
