<Procurement ID - Procurement Title>

The Tasmanian Government is committed to maximising opportunities for local suppliers to compete for and win Government procurements. Suppliers/proponents are requested to prepare a Tasmanian Industry Participation Plan (TIPP):

- for all procurements with a value exceeding \$5 million;
- for nominated procurements (at the discretion of the procuring Government entity) greater than \$2 million and up to (and including) \$5 million; and
- for private sector projects valued at over \$5 million that receive support, including in-kind support, valued at or greater than \$500 000 from the Government.

Guidance information (can be deleted):

- *Information provided in the Economic and Social Benefits Statement can be used as a basis for a TIPP.*
- *Where determined appropriate by the procuring entity, the supplier's obligations under a TIPP are to be captured in the contract and monitored as part of the contract performance.*
- *This template was specifically developed for procurement. Where a TIPP is required for a private sector project, the template should be adapted to suit the specific circumstances of the project.*
