Career History

Heather has been with KPMG for over 11 years providing audit and other risk advisory services including financial statement audit, internal audit, risk management and probity services. Heather has delivered these services to a number of clients and organisations spanning both the private and public sector in Tasmania. In this capacity she has completed key assignments for:

Public Sector

- Public Trustee
- Tasmanian Public Finance Corporation
- Macquarie Point Development Corporation
- University of Tasmania
- TasNetworks
- Forestry Tasmania
- Retirement Benefits Fund Board
- Departments of Justice; Health and Human Services; Education; and Infrastructure, Energy & Resources

Private Sector

- Quadrant Superannuation Fund
- Tasmanian Dairy Products Ltd
- Ingleby Group
- Woolnorth Wind Farms
- Federal Hotel Group
- National Heart Foundation

Relevant Probity Advisory Experience

Heather has been providing probity advisory services to government agencies and other organisations in Tasmania for eight years. Some of these projects are outlined below. As a result of that experience, Heather has gained a strong understanding of procurement processes and related probity requirements in the broader government sector.

Heather's predominant experience is in respect to the following categories:

- General infrastructure
- Information technology and communications
- Other

General Infrastructure
