### Executive summary

The Statewide Road Maintenance contract with Stornoway Maintenance Pty Ltd will positively impact the local industry/economy due to the following aspects:

- Stornoway Maintenance Pty Ltd is a local SME (privately owned, 100% Tasmanian) and will utilise existing local staff for this long term contract. This contract will ensure an ongoing opportunity for Stornoway to create new positions, train, develop and internally promote their workforce.
- The permanent staff and long term sub-contractors engaged by the business for this contract reside locally across the state. The labour component of the contract will be provided by local residents from the works depots located in Launceston, Devonport, Burnie, Queenstown, Brighton and Hobart.
- Stornoway utilises a significant number of Tasmanian companies as sub-contractors and suppliers for its roads maintenance programs, for items including fuels, lubricants, equipment servicing, additional labour hire and consumables.
- Local staff will gain skills and experience through this contract to make them better placed for future opportunities and will also assist the broader community as the skills will be transferable.
