### **Executive summary**

The Poatina turbine equipment upgrade supply contract with Andritz Hydro GmbH will positively impact the local industry/economy due to the following aspects:

- Andritz Hydro GmbH's proposed efficiency gains to be delivered by their upgraded equipment will improve generation outputs for Hydro Tasmania and ultimately greater returns for the broader Tasmanian community and economy. Andritz Hydro GmbH's proposed equipment has been identified as the best value for money of all tendered proposals.
- Hydro Tasmania will utilise a number of Tasmanian companies as sub-contractors to provide local labour-based services in the delivery of site-based works during the installation of the Andritz Hydro GmbH supplied equipment.
- The sub-contractors to be engaged by Hydro Tasmania to install the Andritz Hydro GmbH supplied equipment reside locally across the state.
- Andritz Hydro GmbH personnel who will be involved in site based activities will utilise local accommodation and food and beverage services whilst located in Tasmania.
- Hydro Tasmania staff and sub-contracting personnel will be trained by Andritz Hydro GmbH helping to building Tasmanian skills and expertise in generator refurbishment activities through the execution of this contract making Tasmanians better placed for future opportunities and further asset developments.
