Executive summary

The Temporary Power Rental Agreement with Aggreko Generator Rentals Pty Ltd will positively impact the local industry/economy due to the following aspects:

- Aggreko Generator Rentals Pty Ltd will employ local staff as administrative personnel, heavy diesel mechanics and electrical tradesman to support the diesel generator power station sites for the duration of the contract.
- Local staff will gain skills and experience in new technologies through this contract to make them better placed for future opportunities. This can assist the broader community where the skills are transferable.
- The Aggreko personnel engaged for the contract will reside in local proximity to the sites across the state.
- Aggreko will utilise a number of Tasmania companies for core work activities as well as support services and accommodation. Sub-contractors and suppliers will include transport, cranes, warehousing, mechanical support, forklift hire, hoses and fittings, tooling and consumables.
- The diesel required to operate the power station sites will be sourced from major suppliers with local transport company providers engaged for deliveries.
- Aggreko operate in Tasmania and are aware of local providers that can be utilised which will ensure that local SMEs are not disadvantaged when competing with other suppliers.
