

Joanne Doyle FCA

B.Com, FCA, AICD, Registered Company Auditor, Registered
Probity Advisory
Partner, WLF Accounting & Advisory, Hobart.

Background

Joanne has been a Partner of WLF Accounting & Advisory since 2000 and specialises in internal/external audit and financial consulting. Joanne has over 25 years of experience in audit, both internal and external and has a strong understanding of Corporations Act and Australian Accounting Standards requirements and is a member of the firm's technical accounting team. Through her experience Joanne has a strong knowledge of a wide range of industries, in particular financial institutions, retail, not-for-profit, public sectors, health, manufacturing, construction and local government. In 2001 she was named Business Woman of the Year in the private sector category of the Telstra Business Women of the Year Awards and was subsequently awarded the Centennial Medal, recognising her work and abilities. Joanne has extensive HR knowledge and skills.

Joanne has been a Registered Probity Advisor since 2012, and prior to that date undertook probity advice in conjunction with Harvey Gibson (Probity Advisor).
