

## Routine Disclosure of Overall Government Procurement Statistics

Tasmanian Government Agencies<sup>1</sup> required to comply with the Treasurer's Instructions, are obliged to publish awarded contract information on the Tenders website. This applies to all procurement contracts valued at \$50 000 or greater.

Below is a snapshot of the current financial year's procurement statistics. Information in the table below relates to contracts valued at \$50 000 or more awarded as a result of the following open procurement processes, including: Request for Tender, Request for Proposal and Expression of Interest.

	First Quarter 2019-20	Second Quarter 2019-20	Third Quarter 2019-20	Fourth Quarter 2019-20
Number of contracts awarded to Tasmanian businesses.	42	47	58	37
% of total contracts awarded that were awarded to Tasmanian businesses.	80.8%	82.5%	87.9%	78.7%
Total value of contracts awarded to Tasmanian businesses (excluding options to extend).	\$94 million	\$121 million	\$146 million	\$31 million
% of the total value of all contracts awarded to Tasmanian businesses.	86.7%	90.9%	94.4%	80.4%
% of procurements where Tasmanian businesses participated and were successful.	91.1%	90.2%	96.4%	92.3%

Please note, a Tasmanian business is a business operating within the State that has a permanent office or presence in Tasmania and which employs Tasmanian workers.
